## Intriguing People Of The Year

Arsenio Hall, hippest night owl of them all hopped to the top of the talk show totem pole

Jack Nicholson, as Batman's Joker, romped in a role that fit him just right

Paula Abdul, stepped out as a song and dance sensation

Capt. Al Haynes crash-landed a crippled DC-10 in Sioux City, Iowa, while saving lives

Manuel Noriega gave American leaders fits, but surrender to his enemy

Spike Lee, director, raised a ruckus and important questions - with his film Do the Right Thing

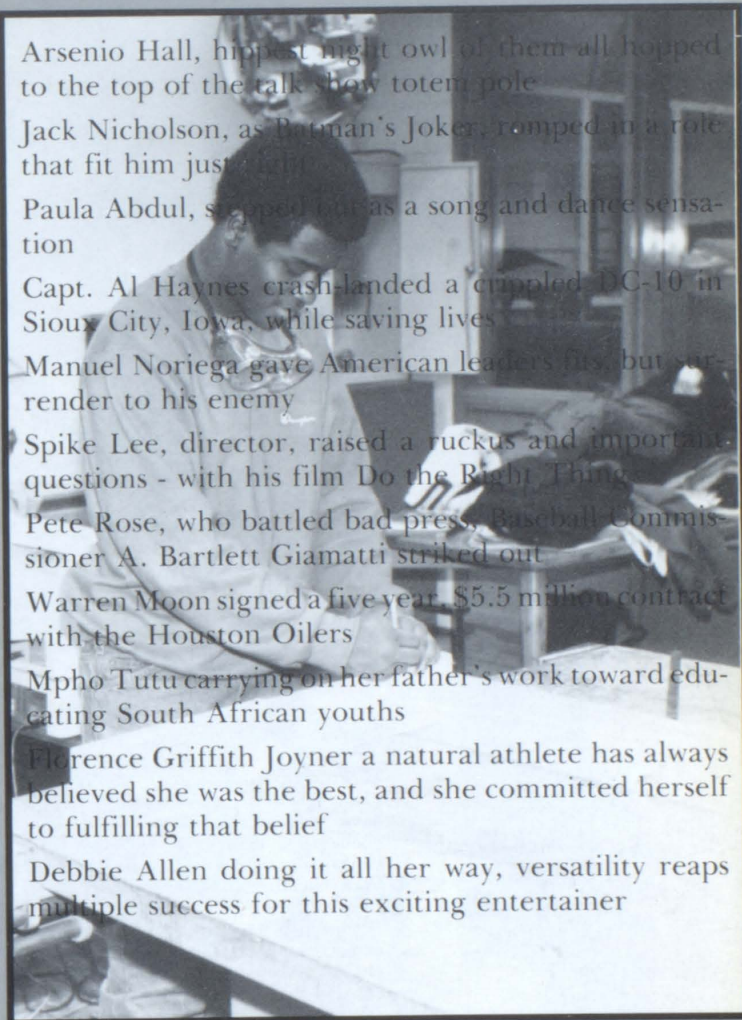

Pete Rose, who battled bad press, Baseball Commissioner A. Bartlett Giamatti struck out

Warren Moon signed a five year, \$5.5 million contract with the Houston Oilers

Mpho Tutu carrying on her father's work toward educating South African youths

Florence Griffith Joyner a natural athlete has always believed she was the best, and she committed herself to fulfilling that belief

Debbie Allen doing it all her way, versatility reaps multiple success for this exciting entertainer

# Principal's Message

BOARD OF EDUCATION  
WEEQUAHIC HIGH SCHOOL  
279 CHANCELLOR AVENUE  
NEWARK, NEW JERSEY 07112

EUGENE C. CAMPBELL  
EXECUTIVE SUPERINTENDENT

LAWRENCE MAJOR  
PRINCIPAL

Dear Friends,

As Principal of Weequahic High School, I offer congratulations to the Class of 1990, and commend you for the outstanding manner in which you have assembled this yearbook, and for the way in which you are presently conducting other related graduation activities. You have prepared four years for this moment, and indeed deserve all the accolades associated with these events.

Graduation is, as everyone knows, both an ending and a beginning. The experiences and knowledge you have attained at Weequahic High School should allow you to be more perceptive, more sensitive, and more concerned for the overwhelming, educational, economic and ethical problems which face us all. There are new ideas that beckon you and unresolved problems which challenge you for solutions.

Each of you must make the personal and delicate choice of which career to pursue. You will succeed in your choice since you have been prepared by dedicated and highly skilled educators, and you possess the will to accept the challenges. Through your faith and through your deeds, you shape your life and eventually you will help shape the lives of others as well.

Again I congratulate you and wish you continued success. It is hoped that you will continue to seek knowledge and that you will experience a full life, rich with the rewards of accomplishment and treasures of purposeful existence.

I believe that the difference between a nation that will flourish and one which will merely survive, will be in how well it prepares its youth. I also believe that young people can be adequately prepared through the combined efforts of parents, teachers, administrators, boards of education and the students themselves.

I know that you, the 1990 Graduating Class of Weequahic High School, will be the scientists, the leaders and the thinkers, who will make that difference.

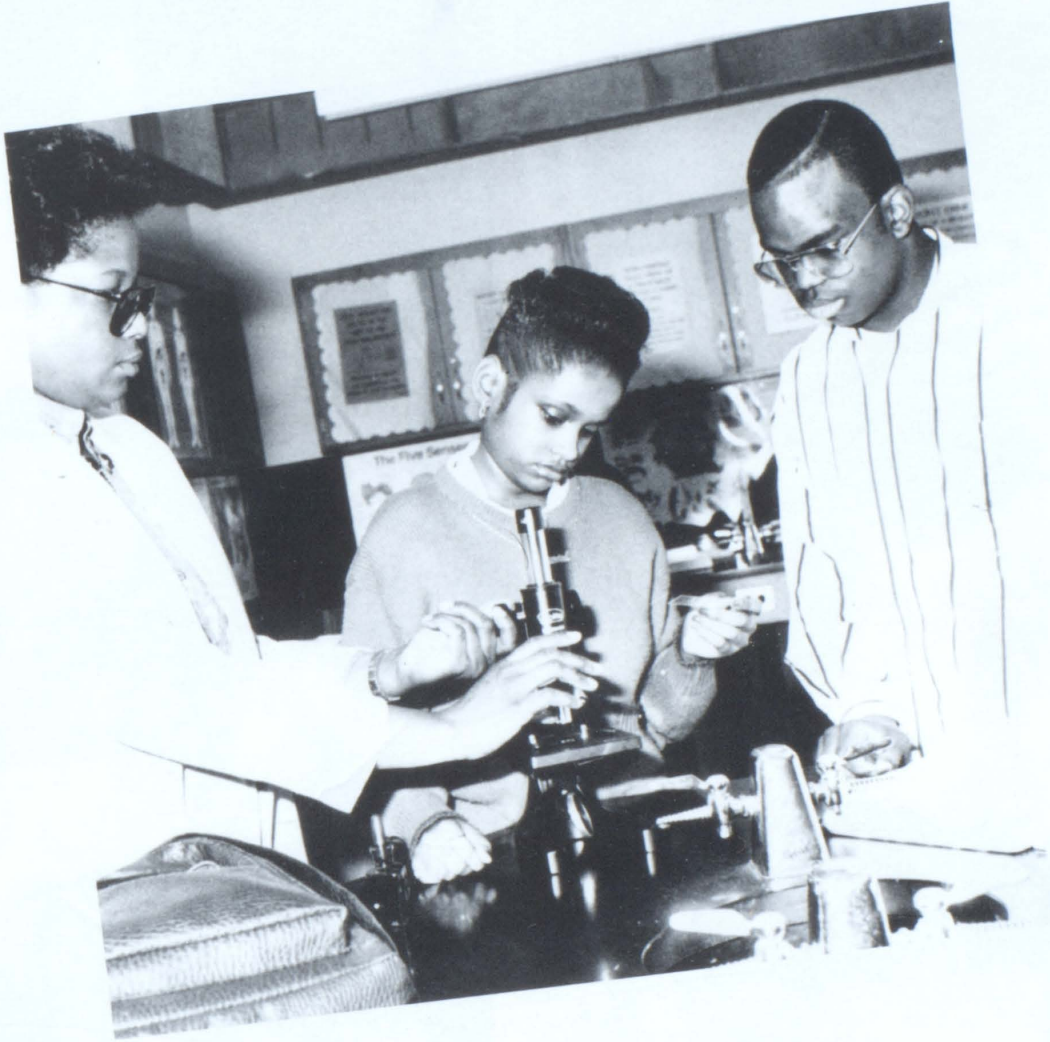

GOOD LUCK.

Yours truly, Lawrence Major

"OUR GOLDEN YEAR"  
NEW IMAGE NEW ATTITUDE  
TOGETHER WE WILL EDUCATE OUR CHILDREN

# UP WITH WEEQUAHIC

## Vice Principals

*Catherine Murphy*

*Norma Brown*

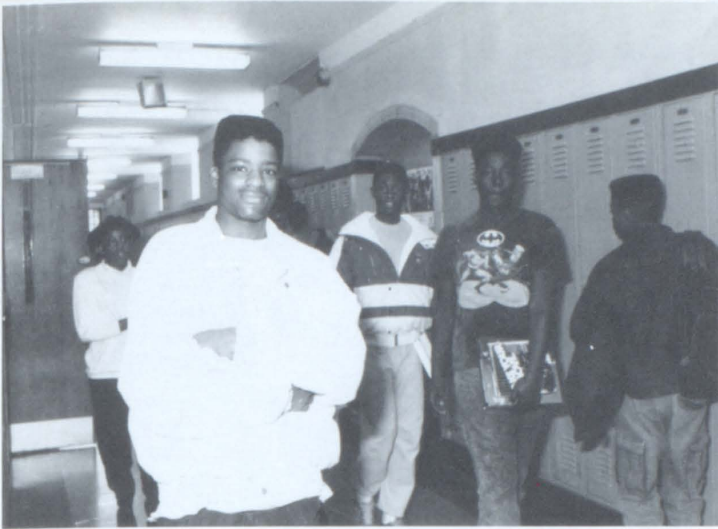

*Fernard Williams*

*Benjamin O'Neal*

We will strive to excel always

# BASIC SKILLS

The Basic Skills Department provides classes in Reading, Writing and Mathematics in compliance with mandates of the Federal and State Assistance Programs.

Students receive instruction in the areas of Reading Comprehension techniques, Study techniques, Paragraph writing, letter writing, essay writing, note taking, research techniques - computation skills and test-taking skills.

The goal of the department is to assist all of our students in passing the High School Proficiency Test.

*Fred Moscatiello, Coordinator*

*Ali Rashid*

# COMMUNICATING MORE THAN FAX

*Michael Angelo*

*Pearl Tatum*

*John Fasano*

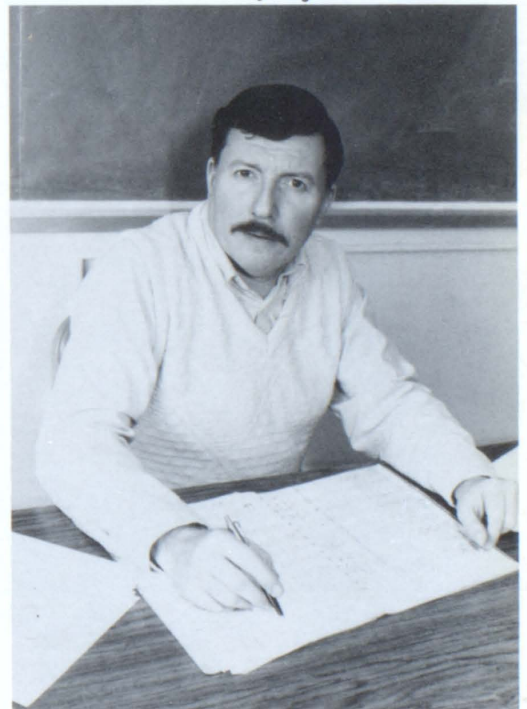

*Barry Berger*

The Business Education Department makes an important contribution to the students in development of economic literacy with stress on dramatically changing workplace by the development of marketable skills, and a continued emphasis on basic skills that allow for improved organization of work, effectiveness in communication and successful interaction with others.

Keyboarding and word processing skills are important outcomes learned in computer and typewriter courses. Students are assisted in capabilities for the purpose of career planning assistance.

*Janice Lanier*

*Leo Brady*

# ENGLISH

The English Department of Weequahic H.S. provide students with a thorough, comprehensive understanding of literature, by offering them an in-depth study of its writers, their works and the background of English history.

We also reinforced your concepts in the area of humanities and grammatical science.

If you attended WHS for the entire four years of your high school experience, you discovered many worlds of different characters, characters' motive, adventures and settings which took you to worlds outside of your immediate environment and yourselves.

Hopefully, you have determined the new you you would like to be. Continue to read, continue to learn.

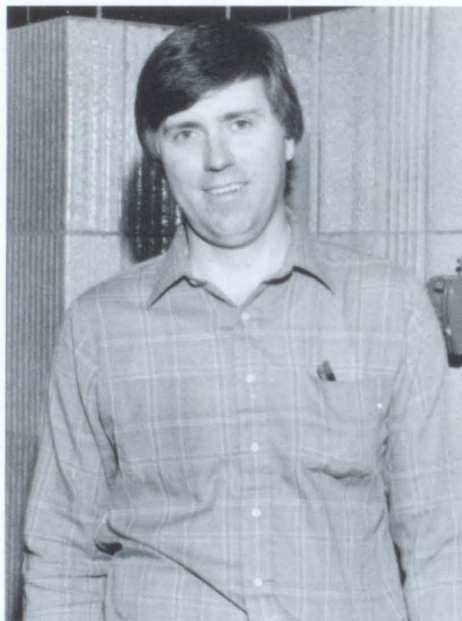

Your English teachers wish you the best in possible choices that you make for the future.

*Shirley Lucas*

*Philip Young*

*Sarah Swinney*

*Eleanor Perry*

# HEALTH AND PHYSICAL EDUCATION

*Heather McLeod*

*Owsley Sweeney*

*Kirk Morton*

*Shirley Reid*

*Edna Foster*

Physical fitness has always been one of the major goals of the Physical Education Department. At one time the normal demands of everyday living provided enough exercise to keep people physically fit. Today machines do more and more of the work that our muscles used to do.

Here at WHS the development of physical fitness is stressed. Our students are helped to improve strength, balance, agility, posture, endurance, speed, and accuracy.

It is well known that physical fitness depends greatly on exercise, but nutrition, sleep, rest, and good health habits are very important too. The teachers in the Physical Education Department emphasize the learning of good health habits as well as provide opportunities for physical activities.

# MATHEMATICS

The teachers in the Math Department stress the use and understanding of numbers, shapes, and symbols.

This department proves basic mathematic courses and college preparatory courses.

Courses offered within this department are Basic Skills Math (HSPT Math), General Math, Algebra I, Geometry, Algebra II, SAT Skills, Trigonometry, Advanced Algebra, and Computer Science.

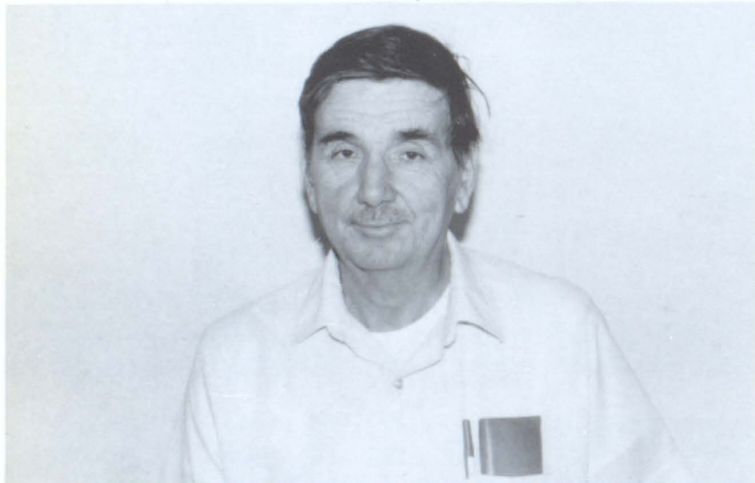

Instruction in Integrated Calculus and Physics is provided by the New Jersey Institute of Technology.

Ayesha, it's all in the brain.

May Samuel, Chairperson

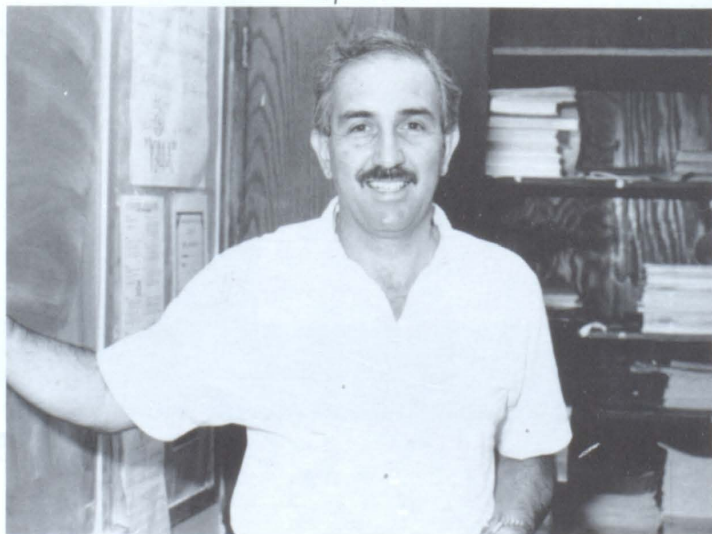

Michael O'Sullivan

Robert Santoriello

Morris Pollak

# A Lesson on Logics

*Thomas Murray*

*Joseph Bellomo*

*Jack Eng*

*William Allison*

*Lorenzo Grompone*

*Paul Kallas*

# MEDIA CENTER . . . . The center of learning

*Jeanette Hooks*

*William Feldman*

School libraries are called media centers. School media centers are real centers of learning. They combine printed materials with such nonprint materials as films, records, and tapes.

Modern teaching methods often require students to use many different kinds of materials rather than a single textbook or even a combination of textbooks and supplemental readings in each subject. WHS Media Center service these need of our teachers and students.

Our Media Center collect records of what people have thought and done. They preserve those records, and they make them available to us. In the world of library, we can entertain ourselves, teach ourselves, and be inspired by ideas that we might never have dreamed of otherwise.

"Libraries Open the Doors to Knowledge."

At WHS our Librarians can also be called information resource managers. They are familiar with recorded knowledge in all forms. This includes books, journals, microfilm, compact disks, and video and audio recordings.

They know the reading interests of most of the students and they are highly capable of locating materials that are understandable, enjoyable, and useful for those of us who ask them for assistance.

## SUPPORT SERVICES . . . . essential to life

*Anita Ford*

*Ruth Williams*

"Keeping the body well is the foundation of good health."

Cassandra and Sherrise eating healthy!

*Lorraine White, Drug Educator*

# SCIENCE

The Science Department prepare students for the challenge and demand of Science courses at the college level. It is also our responsibility to provide an adequate science education for those students who do not intend to apply to college. Therefore, the Science Department offers a variety of courses in the area of general science, biology, and earth science as well as more demanding courses for the college bound in chemistry, physics, and anatomy/physiology.

Students who are academically talented are invited to enroll in our high-level enrichment tract.

*ANY WAY*

*People are unreasonable, illogical, and self-centered.  
Love them any way.*

*If you do good, people will accuse you of selfish, ulterior motives.  
Do good any way.*

*If you are successful, you win true enemies and false friends.  
Succeed any way.*

*The good you do today will be forgotten tomorrow.  
Do good any way.*

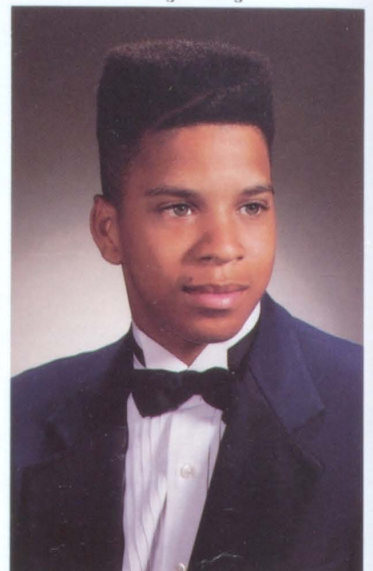

*Honesty and frankness make you vulnerable.  
Be honest and frank any way.*

*People favor underdogs but follow only top dogs.  
Fight for some underdogs any way.*

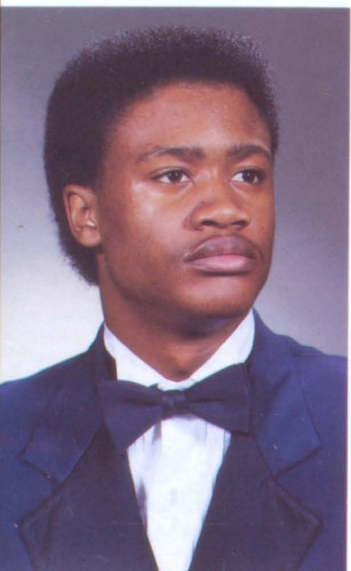

*What you spend your years building may be destroyed overnight.  
Build any way.*

*People really need help, but may attack you if you help them.  
Help people any way.*

*Give the world the best you have and you'll get kicked in the teeth. Give the world the best you've got  
Any way.*

## *A Portrait of Adolescence*

*I am growing world.  
 I am touching and reaching  
 and stretching and testing  
 And finding new things, new wonderful things.  
 New frightening things.  
 I'm just growing world, just now.  
 I'm not tall, I'm not strong, I'm not right.  
 I'm just trying to be me.  
 I'm a person, I'm me!  
 Let me test, let me try, let me reach,  
 Let me fly!  
 Push me out of my nest (But not too fast).  
 There is much I don't know  
 There are things that I want — don't  
 Hide me from the sight of the world.  
 Give me room, give me time. These are  
 things I'm not frightened to try.  
 Let me tumble and spring, let me go  
 Let me be. Wait and see . . .  
 I am growing, world  
 Water me with the wisdom of  
 Your tears.*

## LOOK ON THE SUNNY SIDE

There are always two sides,  
 the good and the bad,  
 The dark and the light,  
 the sad and the glad -  
 But in looking back  
 over the good and the bad  
 We're aware of the number  
 of good things we've had -  
 And in counting our blessings  
 we find when we're through  
 We've no reason at all  
 to complain or be blue -  
 So thank God for good things  
 He has already done,  
 And be grateful to Him  
 for the battles you've won.

## BELIEVE IN YOURSELF

And in your dream  
though impossible things may seem  
Someday, somehow you'll get through  
to the goal you have in view.

Mountains fall and seas divide  
before the one who in his stride  
Takes a hard road day by day,  
sweeping obstacles away.

Believe in yourself and in your plan.  
Say not - I cannot - but I can.  
The prizes of life we fail to win  
Because we doubt the power within.

Let's Face It . . . .

## Face Painting

by the Kuumba Art Club

It calmed the winds of Hugo. It put the halo in Halloween.

Kuumba artists, Marvin O'Neal and Melvin Browridge create fantasy faces for young Newark-ers at the Fifth Annual Newark Festival of People, Saturday, September 23, 1989.

Creative energy was jammin' from Kuumba fingers to Weequahic faces in the Halloween mask parade.

It's true, your future will come in its own time!

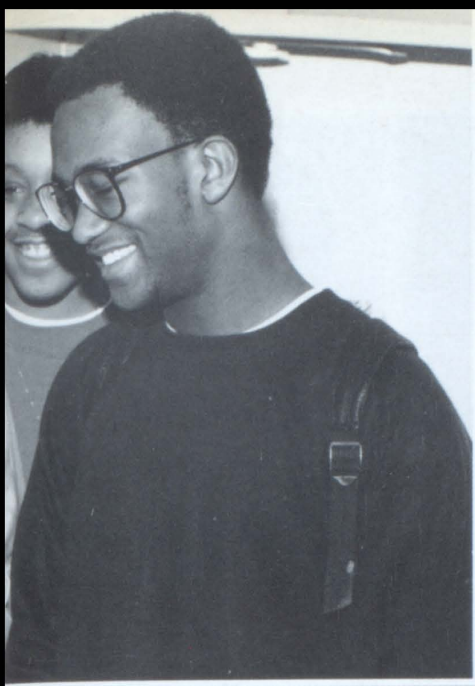

Al, you can do anything you want to do.

"Hey hey hey"

# Reflections Looking Back On The Past

The problems of young adults today are as profoundly complex as the topography of a mountain range. Before one reaches the highest point, there are endless valleys to be traversed and dozens of minor peaks to be conquered. Many students from the class of 1990 will soar, but like a bird with a broken wing. We must act with courage and convictions.

Weakness does not rise; strength does. Our high school experiences will make us stronger to meet the challenges of the 21st Century. We were taught in Weequahic High School to believe in deeds and not merely in verbal expressions of good intention. Moreover, we learned that one must earn respect rather than demand it. Another aphorism that relates to the trials and tribulations of living in our fast-paced and highly technological society alludes to discipline. We were instructed that discipline rightly viewed as a character builder rather than a destroyer of individuality. Cynical people, indeed, like lemmings, swim to sea in obedience to an instinct that bids them to seek a continent long since sunk beneath the waves. They follow blind instinct and disillusionment. They profess that the world will end in oblivion. Contravise, we graduates are optimistic and eagerly look forward to the contests and demands of life. Our future rest with ourselves.

Above all, we must cultivate group and individual integrity. There is no reason why this great nation of which we are so proud should not endure as long as the earth remains, and seed-time and harvest and summer and winter and day and night shall not cease.

Graduates, let us cultivate a true spirit of union and harmony, and continue to follow the principles of wisdom, of peace, of charity, and of brotherhood that was part of our education at Weequahic High School.

Mr. J. Soroka

## GO AWAY!

Somehow I'm always  
in the way.  
I'm always sent somewhere  
to play,  
Or told to go and watch tv.  
Is it them?  
Or is it me?

## JUST PUSH

One day the teacher  
walked us to the room.  
The door was closed.  
The keys inside.

The teacher tried the door,  
but it didn't open.  
We waited 'til he got another  
key.  
That's when he realized  
it was open all along.  
All he had to do was push.

Sometimes, I think  
he does us the same way.  
Has us waiting,  
while he looks for the key  
of knowledge,  
to let us in.  
When really, all he has to do  
is give us a little push  
by just thinking . . .  
we can.

Coach L. Grove and M. Porter

Autrey Reynolds, Athletic Director

Marquis Porter is viewed by his community as a model student-athlete. He signed a letter to attend Iowa University on a football scholarship next fall.

Porter also intends to play baseball, his first love, at Iowa.

Along with achievements in football and baseball, the 6-2, Porter has established himself as one of the finer basketball players in Essex County. He carries a 3.0 grade point average. His academic achievement is very commendable.

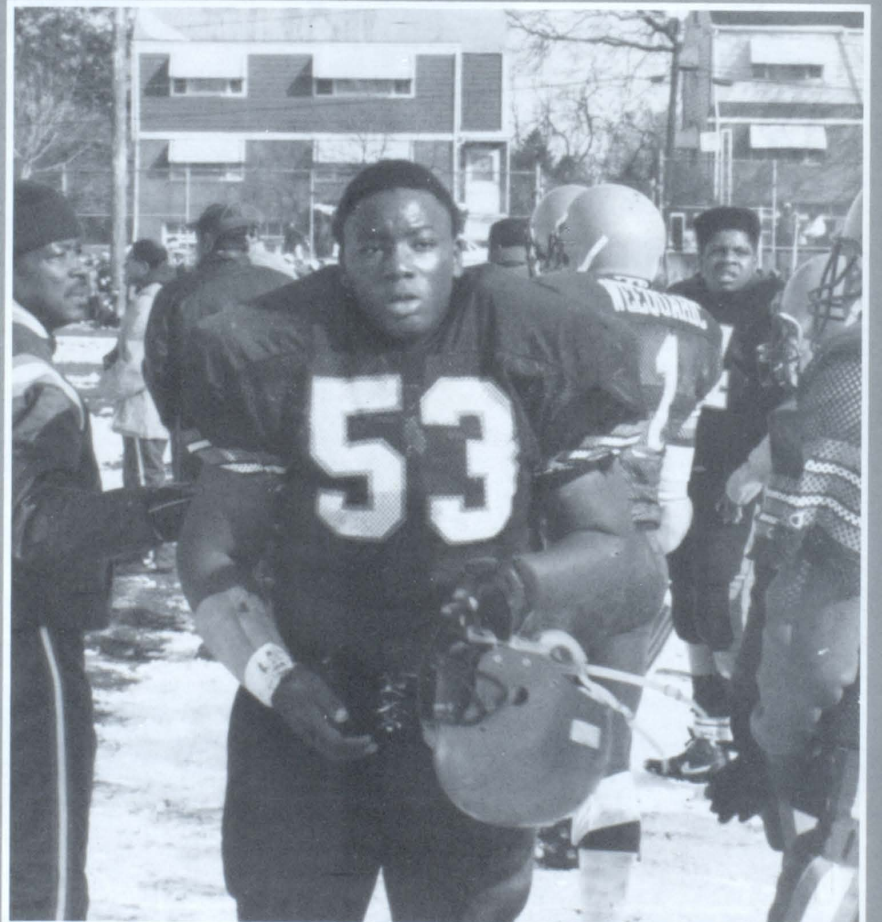

Football Coach Leon Grove calls Porter "an inspiration. During Football season '89, Porter doubled as a quarterback and defensive back for Weequahic (2-7). Pressed into the role of quarterback after two years at halfback, he completed 80 of 153 passes for 1,112 yards and six touchdowns. He also rushed 111 times for 1,094 yards and 11 TDs to become the first Newark athlete to exceed 2,000 yards offensive in a single season. Porter, who gained 4,142 all-purpose yards in his career, was a Star-Ledger All Essex County pick and a third team All-Stater.

During baseball season 88-89, Porter hit .503, drove 48 runs and posted an 8-2 pitching record. He was a second team All Essex selection.

# Varsity Baseball Indians Slugging it out!

The City League is no longer in existence. Our Baseball Indians are about to show The Iron Hills Conference what we are made of. They will see that Weequahic has a class Baseball Program.

Riding on the arms of Marquis Porter are Tim Smith and Spencer Daniel. Coach Hicks hopes to record his 100th win in this his seventh year as Head Baseball Coach.

Chuck Pamplin will be the catcher and along with Porter, Leroy Jackson, Roland Tucker and Demetrius McQueen, they will drive in a lot of runs.

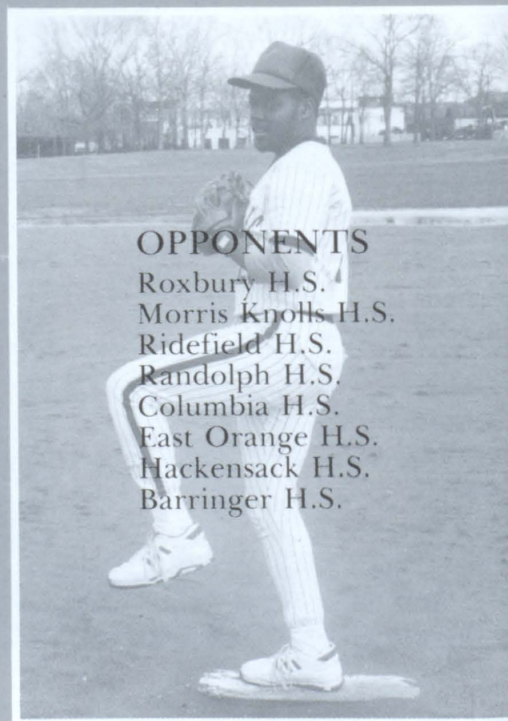

Look for Stanton Washington and Doug Coleman to surprise us with a good year. Ronnie Wilson should hold down second base and aid with some key hits.

Ronnie, Spencer, and Timmy holding down the play.

# Audio Visual Club

Focus, Aperture, Zoom

Video recording technology is changing rapidly. The latest developments of today may well seem obsolete and even primitive in another decade. The first home vide recording systems were sold in 1975, but professional television producers were using videotape recorders as early as 1950's. Today many homes and schools have portable video cassette recorders and color cameras. Here at WHS the students in the A V Club receive hands on experience in operating video machines. The club members are under the direction of Ms. M. Chapman.

# Tutorial Club

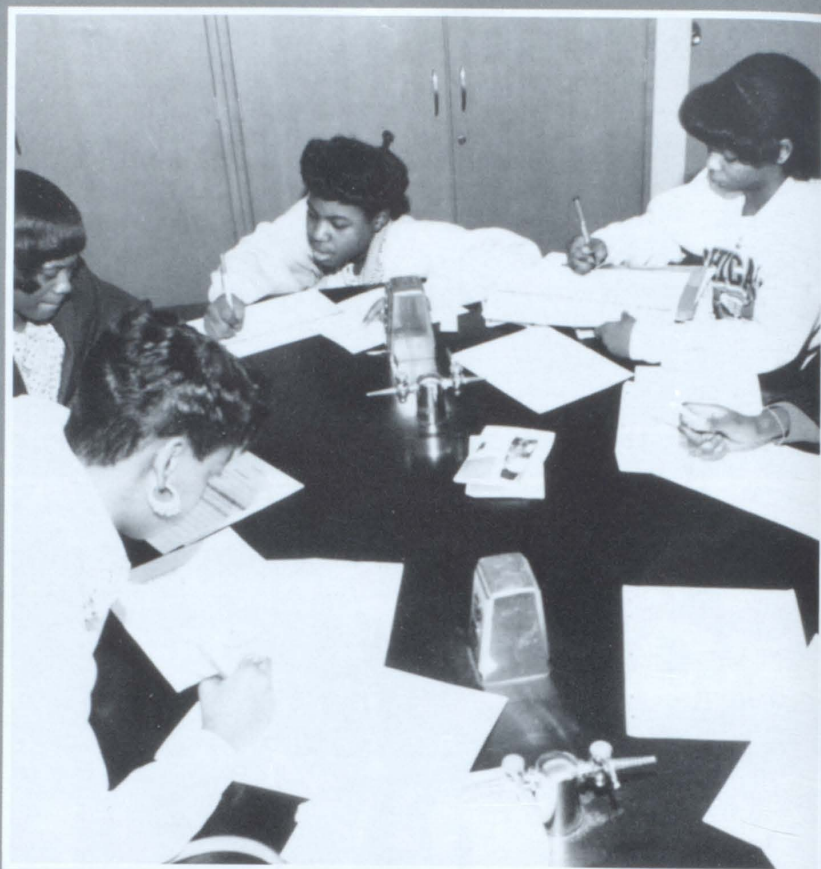

## Passing the H.S.P. Test!

On April 2, 1990, the before and after school tutorial program gave a party. The party was open to all tutoring students who came to tutoring on a regular basis, and was given to mark the end of an intensive program designed to help some of our upperclassmen and over 75 freshmen students prepare for the H.S.P.T.

Mrs. N. Brown held a short assembly for all the students who needed to pass the test. The students were reminded of some important steps to take that would help them to improve their scores.

There were 21 awards given to students who had very good attendance.

There were three, special awards given to students who we hope will soon be shooting Stars! (On the test). These students came to tutoring in the morning and the afternoon. Congratulations to all students who attended the tutorial program.

Ms. J. Herr Coordinator

Tutors: Mr. M. Daniels, Mr. J. Eng, Mr. L. Grompone, Ms. J. Jackson, Mr. B. Jacob, Ms. L. Lynch, and Mr. M. O'Sullivan

# Happy Birthday Dr. Freidberg!

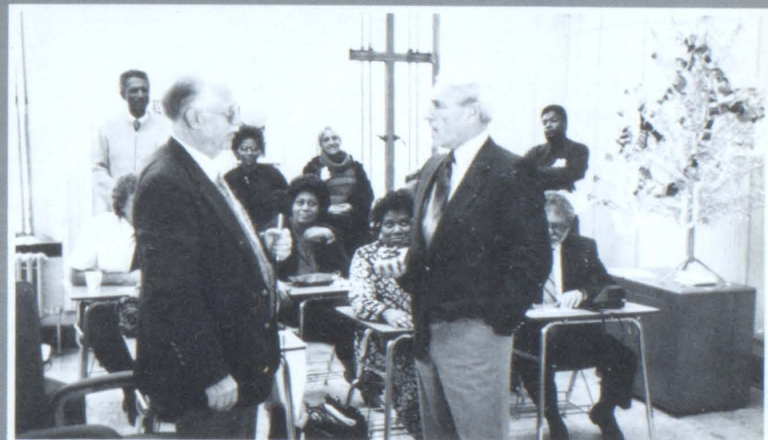

On December 8, 1989, Dr. Bernard Freidberg celebrated his birthday as well as 45 years of exemplary teaching in the Newark School District. At this surprise Birthday Party, arranged by Mr. William Phipps, Chairperson of the Fine Arts Department, were approximately fifty staff members as well as representatives of the 13th Masonic District, of which Dr. Freidberg is a member.

This outstanding instructor of Spanish has a multitude of academic credits and achievements. He is an adjunct professor of the Humanities and Foreign Languages at New York University. He has received numerous awards and commendations.

Dr. Freidberg asserts that man's enemy is boredom and unfulfillment. He poses these problems that puzzle educators: How to be wise rather than merely learn? How do we teach people to improve? How do we teach people to drop self-indulgence and turn to helping mankind? Why do the best qualities in men come out in war - loyalty, unselfishness, brotherhood, etc.

Dr. Freidberg is indeed an upright man who devotes his life to the improvement and betterment of the students at Weequahic High School and we are all proud to honor him not only for his birthday, but for his ability to touch us with love, compassion and understanding.

# Calumet Newspaper Giving the details . . . . .

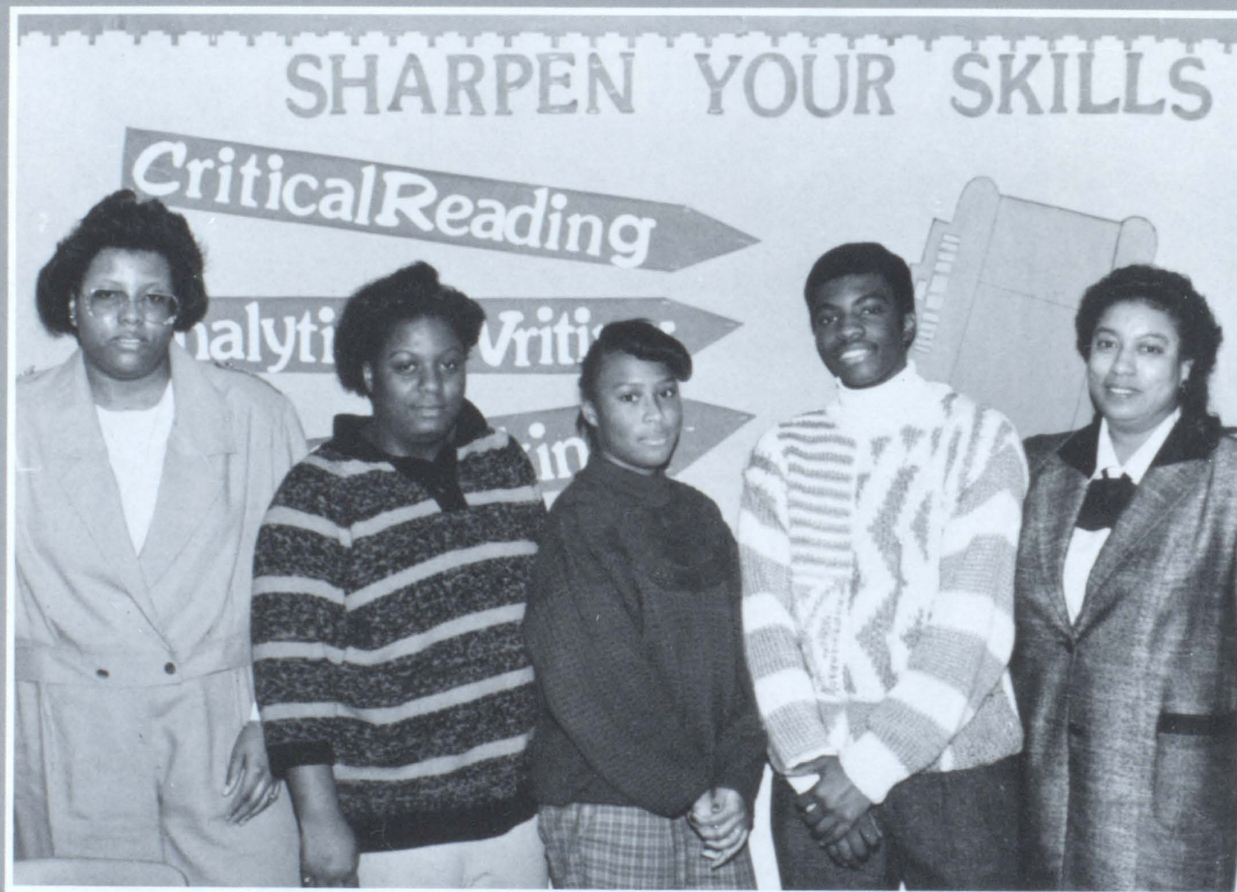

The members of the Calumet Newspaper represent the development of students and staff desire to communicate with each other and their neighbors.

The organization of the staff is under the direction of Ms. S. Sutton. The students are learning great skills and responsibilities in performing many functions with this club. The news club gathers and edits the news. This process consist of general-assignment in which each student has to complete.

An efficient newspaper like the Calumet has good workers and good ethical standards of new reporting and editing.

Keisha and Ms. S. Sutton review their work.

# Ergo In magazine style!

## Different Times In Life

There are times in life when you feel so  
down and out,  
And being there alone is all you think  
about.  
That's when you need that "special  
friend."

When you feel cold and blue, it seems  
everything's departed.  
Then when you think everything is back  
to normal,  
You realize you're back where you had  
started.  
Then you need that "helping hand" to  
pull you through.

When two people are together, they get  
a warm feeling inside.  
That's when they think they're in love.  
But love is being together and never  
wanting to be apart.  
But there is one painful thing about  
love,  
And it's the breaking of the heart.

Roland Tucker

## The House On The Hill

The house on the Hill,  
They are gone away,  
The house is shut and still,  
There is nothing more to say.

Through broken walls and gray,  
The winds blow bleak and shrill.  
They are all gone away,  
The house on the Hill.

Nor is there one today,  
To speak them good or ill.  
There is nothing more to say,  
The house on the Hill.

Why is it then we stray,  
Around the sunken sill?  
They are all gone away,  
The house on the Hill.

And our poor, fancy play,  
For them is wasted skill.  
There is nothing more to say,  
There is ruin and decay,  
But there is some will.  
They are all gone away,  
In the house on the Hill.

Bridget Jackson

## Children of Africa

Born in Africa, children of the sun,  
Walk upon this earth as the "chosen  
ones,"  
Guided by the light of an eastern moon,  
The fire of the dance is alive in you.

Lion in your heart, eagle in your eye,  
Awaken to the dawn of eternal life.  
Let your spirits beat to a distant drum,  
Dreams of Africa, children of the sun.

Let's ride the wings of Isis upon the  
wind,  
From the Valley of the Kings, where the  
dance began.  
This will be your land, Prince of Ebony,  
Stars above the desert, watch over me.

Davina Stephens

## Little Things

Sometimes we may not realize,  
That everything we do,  
Affects not only you,  
But touches others too.

A single happy smile,  
Can always brighten up the day,  
For anyone who happens to be,  
Passing by your way.

And a little bit of thoughtfulness,  
That shows someone you care,  
Creates a ray of sunshine,  
For both of you to share.

Marquis Porter

The Drama Club at WHS perform through the dialogue and action of its characters. They emphasize on the serious, comic or a mixture of the two elements.

The characters are developed in different form: the young female, the old lady, the young man, the warrior and the comedian.

An imaginative advisor like Ms. J. Findley allows the Drama Club to significantly perform in a more creative atmosphere which is needed to provide the students with increased acting opportunities and skills in the art.

Keisha and Jay is this an act or what.

# Future Teachers of America

Do you remember a rainy day at home with nothing to do and you find yourself saying, "Let's play school?" Thinking about the teachers you have had and the ones you like best should be very easy. Their patience and understanding of your problems make them very outstanding.

The advisor of the Future Teachers of America is Ms. L. Banks. She emphasize to the club members how to pursue a career in becoming a teacher. These girls are involved in community projects, and talk with their guidance counselors in obtaining help in deciding about becoming a teacher.

They know teaching has always been challenging as well as rewarding to those who chose it as a career.

# Computer . . . Rapid Processing

Kassandra Adams mastering the computer!

At WHS the ever growing presence of computers indicates how successful these machines have been at meeting our needs for rapid processing of information.

The Computer Club members and their advisor, Mr. Grompone do amazing things with the computer and use its information productively.

The information age has given our students many opportunities and challenges that they never had before. One of the greatest challenges for these club members is learning to use computer and the vast amount of information they provide in beneficial ways.

# Kuumba Art Club

Kuumba is one of the Nguzo Saba (Seven Principles of Kwanzaa).

It is creativity:

To do always as much as we can, in the way we can, in order to leave our community more beautiful and beneficial than we inherited it.

Founded under this principle, the Kuumba Art Club isn't just any association. It is an intellectual and creative bonding between teenagers. This group helps our youth to find out more about its roots, that rich and varied culture we of African descent have shared for generations.

Do not get me wrong, this group is not just for one race. It is universal in philosophy and intent, open to all who are interested. This group helps build character, creativity, self-esteem and cultural awareness.

As the African-American historian, Dr. Clement Price, states: "We are all blessed. You don't have to be Black to be blessed by Black creativity."

# MEMORIES OF THE VOICES

# OF WEEQUAHIC

## Law Club Understanding the laws!

Changing needs bring changing law system. The Law Club agrees that the best protection against crime is planned social change and law reform - to reduce the causes of crime and to encourage people to obey the laws.

The Law Club Advisor Mr. L. Brady and members of the Law Club stress the importance of encouraging people to obey laws. In attaining this goal, all citizens must understand the need for good laws and for their enforcement.

# Exploring: The Young-Adult Division of The BSA

On Thursday, October 19, 1989, all tenth graders at Weequahic High School became participants in the Explorers Career Awareness Program. This unique in-school program is designed to give secondary school students exposure to the workday world. They experience a diversity of classroom based material that relates to the latest state-of-the-arts technology.

Moreover, the Essex Council, Boy Scouts of America, has developed a Vocational Technical Business Career Fair to reinforce support of the Arts Collegium or speakers bureau. This year's fair was held at New Jersey Institute of Technology and attracted over five hundred students.

The Essex Council, B.S.A., through a volunteer Career Awareness committee is chaired by Mr. Steven Gould, External Affairs Manager of New Jersey Bell.

The three students who served as Honor Escorts for our Explorers Post were Virginia Vizcaino, Olivia Washington and Tureca Woods.

The Explorer Committee representing Weequahic High School consisted of Mr. Leo Brady, Ms. Mary Hardy, Ms. Denise Fonseca, Mr. Michael O'Sullivan, Ms. Norma Brown, V.P., Mr. Jack Soroka, Explorer Scouting Advisor.

The logistics for the program was designed only for the presenters to itinerate to the classrooms rather than the students. These English teachers were indeed orchestrators in the success of our post: Ms. June Wigfall, English Department Chairperson, Ms. Eloise Cooper, Ms. Janice Findley, Ms. Robin Phiffer, and Ms. Nyoka Stackhouse.

Our program was goal oriented. Everyone prefers to feel important, needed, useful, successful, proud, and respected.

# SCHOOL SUPERINTENDENT

BOARD OF EDUCATION  
OFFICE OF THE  
EXECUTIVE SUPERINTENDENT  
NEWARK, NEW JERSEY 07102-3091  
(201) 733-7333

EUGENE C. CAMPBELL  
EXECUTIVE SUPERINTENDENT

Dear Class of 1990:

On behalf of the Newark Board of Education, I congratulate the graduates of Weequahic High School's Class of 1990. This is a very special time for all of you because it is an end and a beginning. The end represents a successful period where you conquered the challenges that faced you in school. It is also a beginning of an adult life where you must continue to rise to the occasion and fulfill your dreams.

There will be many times when your road will split into two paths; I implore you to always take the high road. It will be the more difficult road, but once you have traveled it, you will have accomplished a task that you can take great pride in. This pride and sense of accomplishment will always be with you.

While there will be many occasions when you feel that you are alone, remember our hopes and our prayers are always with you. You represent our pride and our joy. Make sure that you aim high and establish a bright future that will make your family proud and pass down these values to the next generation that you will nurture.

Remember that "no man (or woman) is an island." We all depend on each other and we are the answers to our problems. We must take on this awesome responsibility and reach out to provide a helping hand. This is the ultimate challenge that we must pass on to our children.

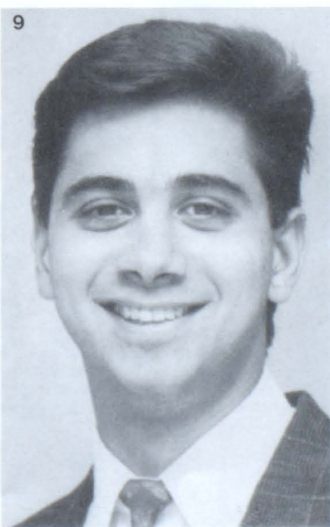

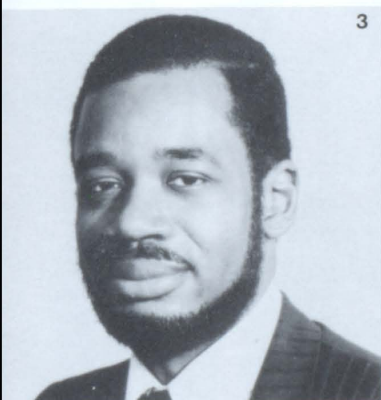

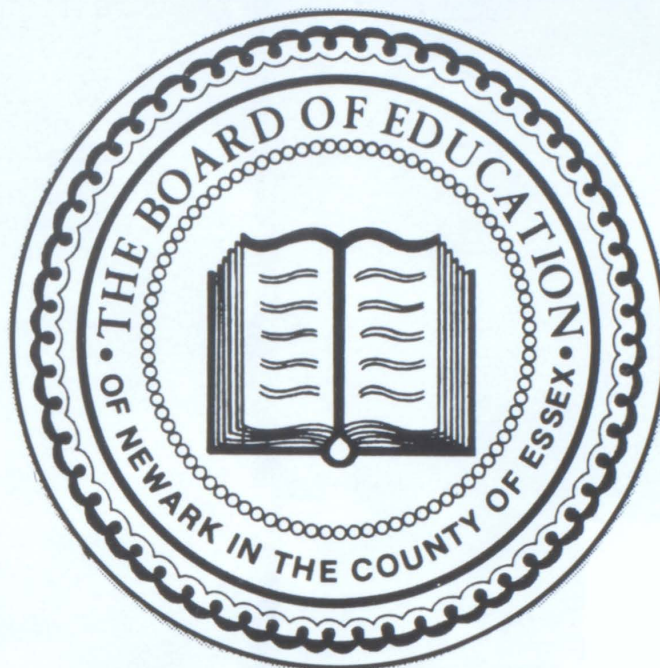

Good luck!

Very truly yours,

  
Eugene C. Campbell  
Executive Superintendent

## Kwanzaa Experience

Kwanzaa is a holiday for seven days with seven laws to learn in seven different ways  
Now the language is Swahili and it's plain to see  
this is an African connection to bring Unity

Kwanzaa means first fruits of the harvest time  
now we may not own a garden but we've got our minds  
plant the seeds in our head that we can grow at will  
cultivate and educate until it's time to chill
